To all members of the South Australian parliament

The Death of Nancy Crick

Dear Member,

Those who oppose the legalisation of choice for voluntary euthanasia are claiming that, because Nancy did not die with cancer, she should not have ended her life.

The enclosed media release that was issued by the Australian Voluntary Euthanasia Societies exposes the fallacy of their argument.

I would draw your attention in particular to numbers 1, 2, 3 & 4.

Please feel free to contact me if you require any further information.

Yours sincerely,

**Frances Coombe
President**
